On 05-04-85, at approx 5:15 P.M. Officer P. Borroni and I were detailed to 24 Concord Ave. RE: Assistance

Upon arrival we were flagged down by the one Mr POND. he stated that he had attempted to visit his children who reside with their mother at 24 Concord Ave. , when a female, unknown to him came to the door at this time he identified himself to this female as being the father of the children and ex husband of Mrs. Pond. This female (babysitter) would not allow Mr. Pond into the house stating that if he didn't leave she would call the police. Mr. Pond vacated the premise and contacted the police. Mr Pond continued to relate a story to officer and I. After listening to his story we advised him to take somekind of action through the courts. Mr Pond did not have anyking of court order to allow him to have custody of his children, in fact Mr. Pond stated that he had just returned from Florida after living there for 4 years. Mr Pond did not like the advise we gave him and threatened to go back to the house and "punch the fucking lesie in the mouth". I told him that he would only aggravate matters if he returned to the house and I advised him to take a walk, that I thought that he had too much to drink. He walked away from officer Borroni and I and headed towards Washington St. As we turned the cruiser arround I noticed the subject get into a car and drive away, turn onto Washington St. Officer Borroni, driving the cruiser was about to pursue the vehicle when the subject pulled the car over, stepped from same, pointed his finger at us and began yelling profanities and stated that he didn't care what we said he was going to see his children. On my initial contact with this subject I could detect a stron odor of an alchelic beverage on his breath and observed his eyes as being very blood shot. Officer Borroni and I stepped from the cruiser and advised the subject that he was under arrest. The subject was very uncooperative both in being placed in the cruiser and at the booking desk with Lt Pepin. Subject took the breathalyzer, the reading was .23. Test was administered by SGT. Murphy.
